Continuing help for Bar Hill

Our local COVID-19 support group can provide assistance to people resident in the village who are experiencing hardship due to loss of income, the end of government assistance schemes or who require help navigating the benefits system.

In addition the Food bank service aims to provide help with essentials if required. Emergency food parcels are free and are available to anyone in the community who is on low income or benefits. Each parcel will contain enough basic non-perishable food to provide 3 meals per day for 3 days (three sizes; individuals, couples, and families).

To apply you will need to complete a simple assessment form (we can help with that too!) and we will then deliver either to your door or arrange a time for you to collect at the Octagon.

You can apply for a parcel by contacting either **barhillcovid19help@gmail.com** or phone **0800 088 6522**. Successful applicants can claim one parcel per week for up to six weeks.

Unfortunately we are unable to accept donated food but if you'd like to support this service via a donation please visit our JustGiving Page **https://bit.ly/BarHillCovid19** to enable us to buy the food in bulk.

Please do not allow any, shame, fear, or anxiety prevent you from asking. You are part of our community and we care!

Please call 0800 088 6522 if you need any help

Bar Hill Childminders

We are Ofsted Registered and inspected Professional Childcare Providers, working with children in our own homes. We hold 'Good' and 'Outstanding' Ofsted grades, are fully insured and trained in Paediatric First Aid.

At present we are working hard to take on the challenges of Childcare during this difficult time of the Coronavirus Pandemic. Some of our Childminders are fully open, some are working with reduced numbers of children and some are still temporarily closed.

Sadly our 'Little Bunnies' Thursday group sessions are closed until further notice.

Our Childminders are listed below, those with availability have the word 'spaces' after their name - those who offer Government Funded places, (Universal and Extended), have an F before their name.

Church News

Whilst the buildings have been closed during lockdown Bar Hill Church has been even busier in the community, helping and supporting people and offering online worship to which all are welcome. The question of recommencement of worship in the church buildings has been considered at length by the minister and the leadership team. In order to minimise risks of Covid-19 transmission we will not resume regular services in the buildings for the time being, but keep the matter under review.

Services during September

Currently all our church services are being held online using Zoom and, as usual, all are welcome to join us. Our online services can be accessed using the following link: https://us02web.zoom.us/j/88297613899

Meeting ID: 882 9761 3899

Password: 284740

Our Sunday morning services are now held at 09:15 am and last for about 45 minutes. An online Holy Communion will be included in the 6 September and 20 September services. Additionally we have Morning Prayers at 08:15 am Monday to Friday. If you haven't used Zoom before, using the above link on a PC or Mac will direct you to the Zoom download and you will need to download and install the software before you join, so allow a little extra time for this. There is also a Zoom app for iPad, iPhone and Android devices.

DISTRICT COUNCILLORS REPORT - AUGUST 2020

Grow your own food. Start with Herbs: Sage, Oregano, Chives, Mint, etc., grown in pots - Lots of ideas on the RHS website, also you can go to the Waterbeach Waste depot where your waste is taken, here you can get free bags of soil improving compost, well worth going, take your own bag. Growing your own helps cut your food's carbon footprint in a number of ways, including reducing the use of pesticides, burning less fuel in trips to the supermarket and generating less packaging waste.

SCDC 2018 Accounts. At the last Audit and Corporate Governance Committee we were able to finally sign off the March 2018 year end accounts (that were due in July 2018). The reasons for the delay of nearly 2 years has been associated as resources issues both internal at SCDC and with the external auditors. However, while there is no fixed penalty for a Local Authority being late with their accounts, there will be extra external audit fee costs potentially of a 6 figure sum, this was raised back in 2018 when the troubles around the accounts began. Subsequently the March 2019 accounts are yet to come to the committee, though I hope that these will be available shortly, and the March 2020 accounts are also late. It is hoped the council may be able to recover its timetable in order for the March 2021 accounts to be on time.

Investment Strategy. The SCDC Administration continues to implement its Investment Strategy despite the change in circumstances. This has concerned myself and others, so when the cabinet agreed to purchase 2 further commercial properties for their portfolio, with support from other councillors it was called in, however this was unsuccessful and the purchase went ahead. At full council it was also agreed that SCDC would enter into two Limited Liability Partnerships. For confidentiality reasons, as the meeting involved the exclusion of press and public for these decisions, I am unable to provide any details other than I voted against such proposals.

Coronavirus related scams. I was sent the following information from South Cambridgeshire Police Force regarding scams within the Cambridgeshire and Peterborough area which I am sharing with you so you are aware of potential scams and criminal activity that could be taking advantage of residents.

Criminals are exploiting the COVID-19 pandemic to try and get their hands on your money and personal information. To date, Action Fraud has received reports from 2,378 victims of Coronavirus-related scams, with the total losses reaching over £7 million.
How you can protect yourself from Coronavirus-related scams:
There are some simple steps you can take that will protect you from the most common Coronavirus-related scams. Here's what need to do:
- Watch out for scam messages
Your bank, or other official organisations, won't ask you to share personal information over email or text. If you receive an email you're not quite sure about, forward it to the Suspicious Email Reporting Service (SERS): report@phishing.gov.uk
- Shopping online. If you're making a purchase from a company or person you don't know and trust, carry out some research first, for example, by checking to see if others have used the site and what their experience was. If you decide to go ahead with the purchase, use a credit card if you have one, other payment providers may not provide the same protection.
- Unsolicited calls and browser pop-ups offering tech support
Never install any software, or grant remote access to your computer, as a result of a cold call. Remember, legitimate organisations would never contact you out of the blue to ask for financial details such as your PIN or full banking password.

Please contact me if you would like further information, help, or advice

SWAVESEY SURGERY NEWS

We continue to work hard to keep our patients, staff and community as safe as possible and would like to thank you all for being so supportive and understanding at this unprecedented time.

Appointments. We are still working remotely with the doctors consulting via telephone and video and using the SMS text messaging for sending in photographs and to provide information to you. If the doctor deems it necessary to see you in person then you will be asked to come to the surgery.

It is important that childrens immunisations, mother and baby checks, cervical screening (smears) and regular monitoring blood tests and injections are still carried out.

Please continue to contact the surgery to book an appointment with the nurses for these.

We carry out temperature checks on patients before they are allowed to enter the surgery to minimise risk and ask you to wear a face mask and sanitise your hands.

If you are able to provide your own mask then this would be appreciated.

Booking routine appointments - non urgent. Please can we ask that if your request for a call from the doctor is not urgent then you book a few days in advance, this allows the doctors time to speak to patients that have an urgent medical concern on the day.

Telephone appointments call still be booked online with the doctor.

Flu vaccinations. We will be holding flu clinics from the middle of September those under 65 yrs in at risk groups, shielding patients and members of their household, patients 65 yrs and over, carers, pregnant ladies and children 2-3 yrs.

If you have provided us with a mobile telephone number we will contact all patients eligible for a flu vaccination.We are still waiting for further guidance from NHS England regarding vaccinations for those aged 50 - 64 yrs, please do not call the surgery at this time we will keep you posted when we have further

Noise Equipment To Tackle Anti-Social Motorists

New noise equipment will help officers tackle anti-social motorists across the county.

Cambridgeshire Constabulary has purchased two state-of-the-art sound monitoring equipment kits which will alert officers at the roadside if an exhaust is too loud.

Officers will be holding the first day of action with the new equipment on Saturday targeting hotspot areas based on information reported to the force.

The legal limit for cars is 80 decibels and it is illegal to modify an exhaust to be louder than this.

Motorists could be given a £50 Fixed Penalty Notice for either failure to maintain the system or use of a vehicle with an altered system or excessive noise.

Noise pollution is a concern for many people living in our villages, towns and cities.

Using funds from the Proceeds of Crime Act (POCA) we have purchased new state-of-the-art sound monitoring equipment that will tell us in seconds, at the roadside, if an exhaust is too loud.

We'll be targeting hotspot areas as well as car cruises across the county. Fines will be issued to help reduce anti-social motorists and make our communities quieter, safer places to live.

If there is an area you would like us to target or to report anti-social motorists in your area, follow this link; https://bit.ly/ReportAVehicle.

BAR HILL PARISH COUNCIL

Parish Council Office, Hanover Close, Bar Hill. CB23 8EH
01954 780456 - clerk@barhillpc.org.uk
Chairperson: bunty.waters@barhillpc.org.uk

Dog Owners are respectfully requested to be considerate to others by ensuring that they pick up their pets' poo in a bag and take home for the bin or dispose in one of the dog waste bins dotted around the village and on perimeter road, including by the nature reserve and public rights of way.

Parishioners may report incidents of dog fouling to South Cambs District Council which has enforcement powers and will clean up fouled areas & issue fines (if appropriate).Please call **0345 045 0063**.

Planning. Hallmark Hotel Development will be ongoing and the Council has established contact with Wellington and Sanctuary Housing. Release of s106 monies, for which a broad bid on types of expenditure had to be submitted at the beginning of the planning application process in 2016, will follow but the council will need to hear parishioners' views on actual projects. The planning application included play facilities on the site and pedestrian crossing. The Norman Park commercial use development is beginning to progress and the developer has been in contact with the Parish Council.

Boundary maintenance. Please could residents check around their property boundaries to remove any vegetation or overhanging trees that is, or might in the future, be an obstruction or cause a nuisance to people passing by. In some cases this will include the utility strip residents have to leave open and not enclose by a fence; do please check your title deeds to identify the boundary you are actually responsible for.

Most of the footpaths, roads, street lights and road gullies are the responsibility of Cambridgeshire County Council and they ask that the public report any issues to them, as soon as noticed.

Annual Parish Meeting

Thursday 22 October 2020 at 7.30pm

(due to Covid-19 restrictions this meeting will be held remotely on Zoom). Details will be published on the village noticeboard.

Apologies for absence; previous Minutes; reports from County, District and Parish Councils; Village Clubs and organisations; and any matters raised by the electorate

To assist organisers manage remotely, any questions you have for the County, District or Parish Council, or village organisations, and especially any ideas for the community please submit to the Parish Council's office in writing by 10 October 2020. We are asking for reports to be submitted by the end of September so these can be published before the meeting. As usual items will be taken back to the respective organisations for further consideration by members after the meeting.

It was hoped Highways England would talk to villagers about how the A14 scheme is finishing and give an update on projects and opportunities for the community. In particular the Parish Council has been pressing Highways England for support to install a path to connect up across the village green between the village hall and school/play areas, together with improving path across the front of the tennis and MUGA courts from Hanover Close/Church.

Flytipping. Anyone spotting flytipping in the village or on their travels around the district, please report immediately to https://bit.ly/SCDCFlyTipping

Bar Hill Pre-school offers childcare Monday to Friday 9am-3pm in term time to children aged 2 years –school age. We offer sessions through the early years funding scheme, funded two's and childcare vouchers.

Our ethos is to provide high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

We temporarily closed during the lockdown. Re-opening in early June in a reduced capacity with strict cleaning regimes and changes to routines and procedures to meet the current guidance.

Since we returned our children have made bird feeders, grew vegetables, used various blocks and boxes to build fantastic structures, and enjoyed water play. We have enjoyed playing in our large garden and having our carpet times outside.

Since the end of term we have been busy refurbishing the outdoor, in particular the Sensory Garden. We have received fantastic donations from **Oasis Nursery** in Willingham, including flowering plants and herbs, **Tesco Stores** donated a large number of flowering planters to brighten all areas of the garden, **The Fox** gave donation envelopes to their patrons which raised enough money to not only buy all the screening, but we also brought bits for our new fairy garden, a new picnic bench, as well as several other items. We also received donation of bricks and plants from various Bar Hill residents.

We are planning to redevelop the undercover area before the start of term, but we will keep that as a surprise for next month!

In September we will be opening our doors again 5 days a week, in line with the government guidelines, we are monitoring all communications and guidance sent to us, to ensure we are opening as safely as possible. We are utilising our large outdoor area, we have new water lily stepping stones, toadstool seats, colourful new balance beams and a fantastic new mud kitchen, we would like to say thank you to the team of volunteers who have given up their time to help with the refurbishment.

We are looking forward to welcoming our new starters in September and still have a few places left, if you are interested in a place for your child contact us now via email enquiries@barhillpreschool.co.uk to register your child.

We sadly say goodbye to our school leavers and wish them lots of fun at their new schools in September. We will miss you all and are so proud of all your achievements

If you are interested in a place for your child contact us now on email enquiries@barhillpreschool.co.uk.

Kind regards
